

Think of a collaboration you've been part of - current or recent. Rate the collaboration on each of the following dimensions using a 1-5 scale, where 1 is 'major weakness' and 5 is 'major strength.'

Be honest - this is for your learning!

	Major weakness				Major strength	Notes
Clear shared goals: Everyone understood what we were trying to achieve	1	2	3	4	5	
Complementary expertise: Team had the right mix of skills and knowledge	1	2	3	4	5	
Effective communication: Information flowed well, meetings were productive	1	2	3	4	5	
Impartial participation: All voices were heard, contributions were valued	1	2	3	4	5	
Conflict resolution: We handled disagreements constructively	1	2	3	4	5	
Resource sharing: Data, materials, and tools were accessible to team members	1	2	3	4	5
